

Description

The Tork Sanitizer stand keeps hand hygiene top of mind and accessible for employees and customers when no water is available. Suited to many different environments and public areas, the stand offers flexibility to move and position hand hygiene access where it is needed most. Dispensers are available separately.

- Suitable for the wide range of Tork skincare dispensers and sanitizer refills helps to adapt to any environment
- Robust and sturdy design for compatibility with both manual and sensor dispensers
- Easy assembly reduces set-up time and effort
