

Description

Wash your hands thoroughly with Tork Antimicrobial Foaming Soap which is certified according to standard EN 1499. Its low alcohol formulation is highly effective against bacteria, viruses and fungi. It combines normal hand washing and disinfection in one and the same washing procedure. In addition, it is perfume and dye-free to reduce allergic reactions. Fits in Tork Skincare Dispensers that have been certified "Easy to use" and provide good hand hygiene for all users.

- Effective against a variety of problematic organisms - meets the requirements of EN 1499
- Hygienic: sealed refill bottle with disposable pump reduces the risk of spreading infection
- Certified easy maintenance and intuitive refilling in less than ten seconds
- The bottle is recyclable and shrinks as it is used, reducing waste volume
- Use biocides safely. Always read the label and product information before use.
- Information on risks and precautions can be found in the safety data sheet.
